

Sister Kathleen Foster teaches fourth grade at St. Gregory's Parish School. She embraces the core values of the Ursuline way of life, contemplation, compassion and justice; and encourages her students to do likewise. Sister Kathleen has the daily opportunity to teach religion and share the rich history of St. Angela. A great deal of importance is given to the spiritual life of the school community and a religion committee supports this. Each day with the children, Sister Kathleen lives compassion. The children are taught alternative problem solving skills and peer mediation. The students are also aware of those in need and have participated in various outreach ministries both locally and globally.
